## **Kaba achieves Quality Management System BS EN ISO 9001 : 2008**

Leading door manufacturer and supplier Kaba Door Systems has recently achieved the quality management system ISO 9001:2008 which now supersedes ISO 9001:2000. ISO 9001 is the internationally recognised standard for an organisation's internal Quality Management.

By achieving this standard, Kaba has demonstrated the ability to consistently provide a framework and a set of principles to ensure a common sense approach to the management of its' business activities and to consistently achieve customer satisfaction. As part of the approval process Kaba demonstrated the eight key management principles; being a customer focused organisation, leadership, the involvement of people, ensuring a process approach, a systematic approach to management, a factual approach to decision making, mutually beneficial supplier relations and continuous improvement.

Peter Faerber, Managing Director, Kaba Door Systems said "Our recent award of the Quality Management System shows Kaba's continual commitment to continually exceed customer expectations "

Kaba Door Systems has over 80 years international experience in the design manufacture and installation of a leading range of, commercial and industrial door systems. With regional centres across the UK, Kaba also offers a nationwide repair and maintenance service and is a member of the Automatic Door Suppliers Association (ADSA), the Door and Hardware Federation (DHF) and is NHS Purchasing and Supply Agency (PASA) approved.
